Case No. [17-cv-07093-YGR](#) (SK)

ORDER SETTING DEADLINE

Regarding Docket No. 47

12 On August 13, 2018, the undersigned issued a report and recommendation on Plaintiff's
13 motion for default judgment and recommended that the Court deny the motion without prejudice.
14 On August 20, 2018, the presiding judge adopted the report and recommendation and denied the
15 motion for default judgment without prejudice to Plaintiff resubmitting his motion with additional
16 evidence. The presiding judge also referred this matter back to the undersigned for further
17 proceedings.

18 Despite the Court providing Plaintiff with explicit permission to resubmit his motion for
19 default judgment with additional supporting evidence, he has not yet done so. The undersigned
20 HEREBY SETS a deadline of March 8, 2019 for Plaintiff to resubmit his motion for default
21 judgment with additional evidence to cure the defects noted in the report and recommendation. If
22 Plaintiff does not file another motion for default judgment by this deadline, the Court will issue a
23 report and recommendation to dismiss Plaintiff's complaint for failure to prosecute.

IT IS SO ORDERED.
